

All school and preschool families, present and past congregation members, alumni and friends of Trinity Lutheran School and Church are invited to a very special Trinity event.

*Sunday, June 28th, at 5:00 p.m.*

*Parish Hall and Lunch Area*

Starting with a reception in the lunch area featuring photo stations from the six decades of Trinity's history, and moving on to a fabulous catered dinner (underwritten by a generous supporter), we'll hear an inspiring story from Trinity alumnus Mark Hiepler, recognize and honor a special Trinity family, and hear Trinity's vision and challenge.

Special invitations were mailed out last week. Please respond quickly so that we know how many to plan for. Children are welcome at a special children's event supervised by our Trinity Lighthouse youth and volunteers. Make plans to join us!
